# 1. Color Palette Exploration

Use color picker, pick all the colors in the chosen palette.

The image shows two side-by-side color selection tools. On the left is a web-based color palette generator with three main color swatches: a dark gray square labeled '50514F Davy's gray', a red-orange square labeled 'F25F5C Bittersweet', and a yellow square labeled 'FFE066 Naples:yellow'. Below these are their hex codes and names. A watermark for 'Chatbot.ai' is visible at the bottom of this panel. On the right is a Mac OS X 'Colors' palette dialog window. It displays a grid of colored pencils arranged in four rows and eight columns, representing a wide range of colors. The window has a title bar 'Colors', a toolbar with various icons, and a slider for 'Opacity' set to 100%. At the bottom are 'Cancel' and 'OK' buttons. A watermark for 'Chatbot.ai' is also present at the bottom of the dialog window.

# 1. Color Palette Exploration

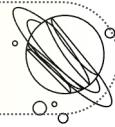

Use color picker, pick all the colors in the chosen palette.

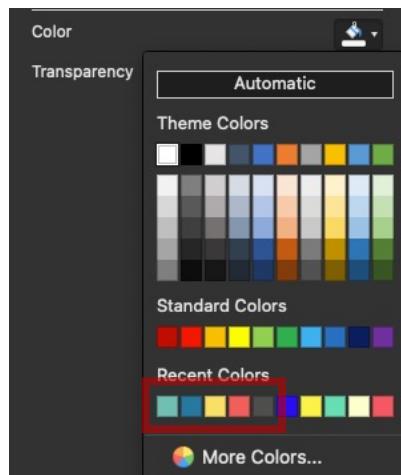

The screenshot shows a color palette interface with the following details:

# 5. Navigating Slide Master

The screenshot shows the Microsoft PowerPoint ribbon with the 'View' tab selected. A search bar at the top right contains the text 'slide master'. Below the ribbon, a slide titled '4. Sourcing Free Illustrations' is visible. The slide master pane on the right side lists several options: 'Slide Master', 'Notes Master', 'Slide Size', 'Delete Slide', 'Insert Slide Master', and a 'Smart Lookup' result for 'slide mast...'. The 'Slide Master' option is highlighted.

The screenshot shows Microsoft PowerPoint in 'Slide Master' mode. The ribbon has 'Slide Master' selected. The main area displays a slide with a title 'Click to edit Master title style' and a bulleted list 'Click to edit Master text styles' with five levels of indentation. The slide includes a footer with the text 'VIP WORKSHOP 2024'. On the left, a preview pane shows other slides with placeholder text. The bottom of the screen shows the standard PowerPoint navigation and zoom controls.

LE1 REVIEW SESSION

# WS1 Outcome: Bioslide

Activity: Create a bioslide communicating research interests, personality, and essential information concisely and visually.

## 1. Research Interests:

- Articulate your academic focus concisely.

## 2. Personality Expression:

- Infuse design elements reflecting your personality.

## 3. Contact Information:

- Provide essential contact details and relevant links.

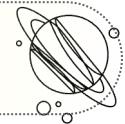

## 4. Academic Background:

- Showcase degrees and affiliations briefly.

## 5. Optional: Pronouns, Advocacies, Personal Branding

Push your outputs into the VIP Workshop 2024 Github Repo
